

COMMITMENT STATEMENT

As a leading company in the scaffolding industry , Speedier Scaffolding employees demonstrate a commitment to safety, quality, sustainability and diversity . This commitment positively differentiates Speedier Scaffolding from competitors.

Safety

Creating a safe and healthy work environment is a part of Speedier Scaffolding's dynamic culture. The value of safety at Speedier Scaffolding is instilled in everything it does through a guiding principle . Speedier scaffolding will not compromise the health and safety of its workforce. Speedier Scaffolding employees look out for each other with a goal of zero incidents and accidents.

Quality

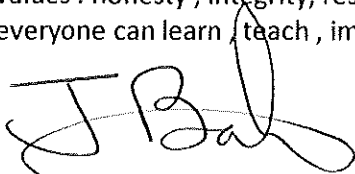

Speedier Scaffolding's quality management programme has been formulated to ensure a commitment to quality is apparent to all employees, clients , design partners and trade contacts. This commitment ensures quality performance, and improves client and design team satisfaction.

Sustainability

Speedier Scaffolding's growing commitment to sustainability is grounded by the guiding principle of social responsibility and environmental stewardship. Speedier Scaffolding realises the importance of more than just economic sustainability by also making a positive impact in local communities and environment.

Diversity

What binds people together, regardless of jobs or personal characteristics is a shared set of core values : honesty , integrity, respect , passion and the development of a dynamic culture where everyone can learn , teach , improve and add value for clients

A handwritten signature in black ink, appearing to read 'J Bate', with a long horizontal line extending from the bottom of the signature.
